

# AHIP CERTIFICATION HIGHLIGHTS

The AHIP certifications **must be passed by new and current agents annually** in order to continue selling.

**All review questions** at the end of the training modules **must be answered** prior to taking the AHIP.

*(Your answers will not affect your final score)*

You will have **3 attempts** to pass the AHIP.

*(You can re-enroll to get more attempts, however, most carriers will prohibit you from selling their product for that plan year if you have 3 failures)*

You can take the AHIP directly through the **AHIP website** or through a **carrier's broker portal**.

The AHIP costs **\$175** to take in 2023. However, some carriers may offer up to **\$50 off** through their broker portal

You need a score of **90% or more to pass** the AHIP certification exam. The exam is **timed & open book**.
