LOGGING INTO THE SYSTEM

To start, you should have received an email from Premera's Workflow system. This will contain your login link. Your user ID will be your NPN (National Producer Number). You will also be provided a temporary password if this is the first time you've accessed the system.

Dear Pete Producer,
It is time for you to recertify for Premera's Medicare Advantage products.
To get started, please use the info provided below. You must reset your password if you have not logged in during the last 90 days. Click on the Workflow URL link below and then Forgot Password? to reset your password. Once you have done this, you can log in.
 There are four easy steps to complete your certification: Review your personal information and update if needed Transmit your AHIP scores via the AHIP website Take the training webinar and pass the exam with an 85% or higher Click submit to send all your info to Premera
Link Workflow URL
Username Use Your NPN
Password "Password"
For best results, please use one of the following browsers:
 Google Chrome Mozilla Firefox Microsoft Edge Apple Safari
Also, please turn off any password keepers prior to logging in.
For step-by-step instructions, please see attached how to guide. If you have additional questions or concerns, please contact your FMO or email us at medicaresupport@premera.com.
Thank You
Your Premera Medicare Support Team Senior Markets 7001 220th St SW, Mountlake Terrace, WA 98043 medicaresupport@premera.com

Be sure that you are in one of the following browsers and **have cookies enabled** or you may experience issues with the course:

- Google Chrome (preferred)
- Mozilla Firefox
- Microsoft Edge
- Apple Safari

Click on the link in the email that says <u>Workflow URL</u>. This will automatically take you to the needed login screen and populate the domain. If the domain is not populated, enter **PRBC**. Then enter your NPN as your username, the temporary password provided and click Sign In.

On your first login, you will be prompted to set a new password. Type your new password in twice and hit the Change Password button.

	Set new password
	Your password must be changed to protect the integrity
	of your account.
	·
	 Password must contain letters and numbers
	 Password expires after 90 day(s)
	 Last four passwords may not be reused
	 Password must have more than 8 characters.
	 Password must have less than 20 characters.
